

**R e s o l u t i o n**  
**of the General Assembly of the Justices of the Supreme Court**  
**of 28 June 2018**

Being inconsistent with Article 180 of the Constitution of the Republic of Poland, regulation provided in Article 111 paragraph 1 of the Act on the Supreme Court, removes, on 4 July 2018, a large number of justices from the Supreme Court. It constitutes obvious violation by the legislature of one of the fundamental guarantees of independence of the judiciary and will soon significantly disrupt normal functioning of the Supreme Court. Justices who had begun their service on the Supreme Court before the Act of 8 December 2017 on the Supreme Court came into force, should continue such service until the age of 70 without any additional conditions.
